LAST WEEK**

Buddy Benches X 2!

Last week we hosted 2 amazing BUDDY BENCH events.

These are wonderful **team building community give-backs**. They bond your team in remarkable (hero-energy) ways when designing & building the Buddy Benches

AS WELL AS

giving back to the community by donating your Buddy Benches to under-serviced daycares, preschools & elementary schools.

Win - Win - Win

Buddy Benches
(Friendship Benches)
are designed to
combat loneliness and
bullying in schools.
Children can sit on the
bench to indicate that
they are feeling lonely
or isolated and need
another child to reach
out to them.

What else do they do?

Build
EMPATHY!

And what else do they do?
